

1

Flood and Coastal Erosion Risk Management (FCERM) Strategy

Its long-term vision is for:

"a nation ready for, and resilient to, flooding and coastal change – today, tomorrow and to the year 2100"

It provides 3 long-term ambitions to help move the country towards the vision:

Ambition 1

Climate Resilient Places

Ambition 2

Today's growth and infrastructure in tomorrow's climate

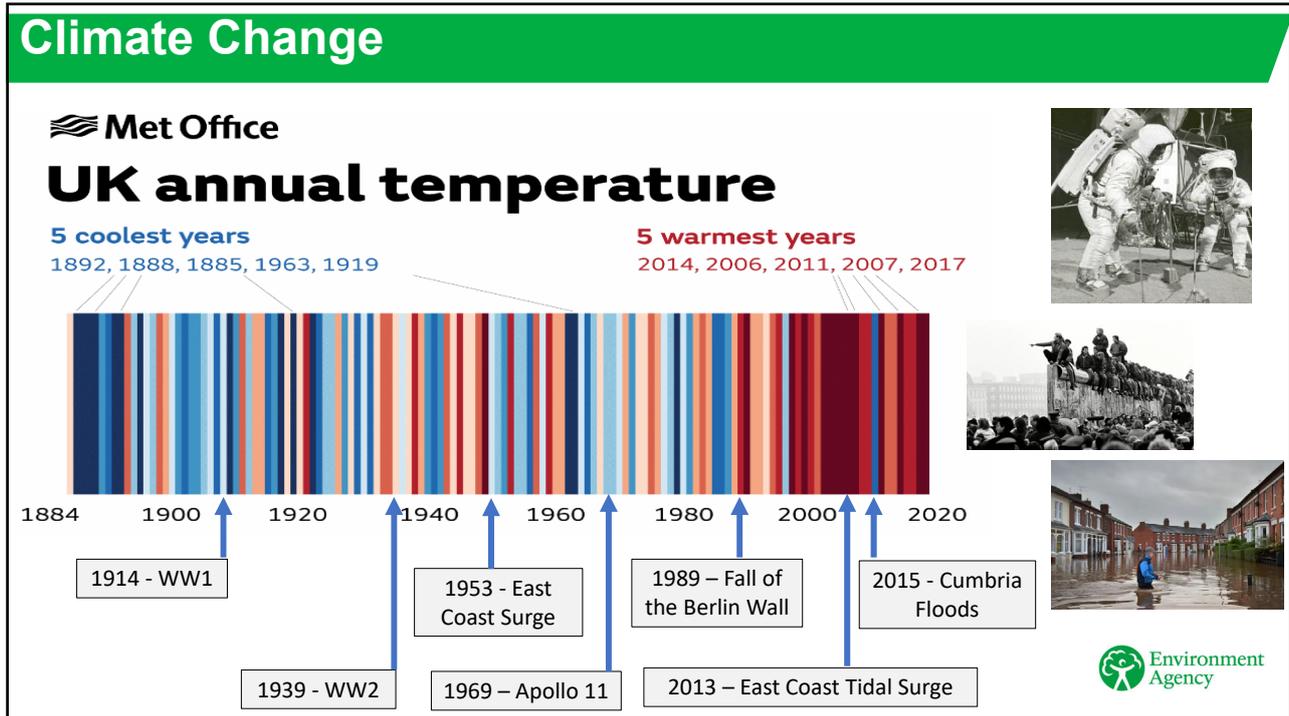

Ambition 3

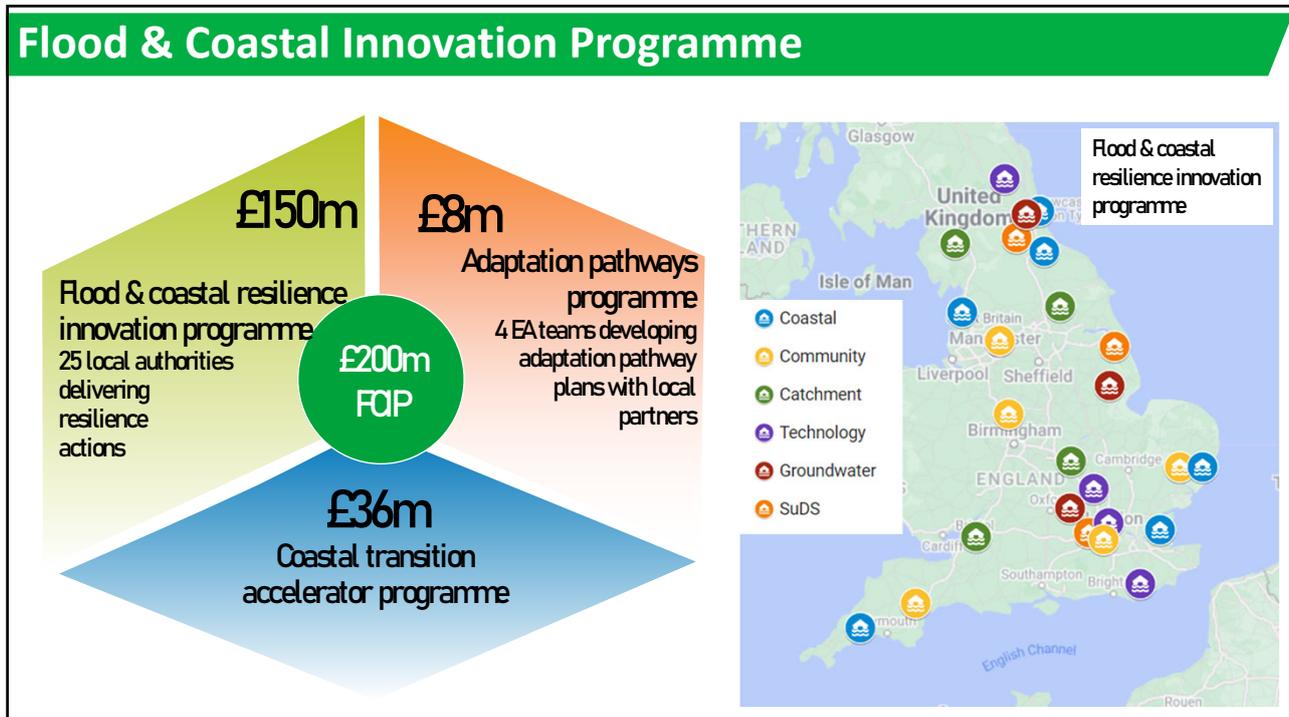

A nation ready to respond and adapt to flooding and coastal change
