The work we do

The Coal Authority works to make a better future for people and the environment in mining areas.

Kept people safe
and provided peace
of mind

We carried out
10,476
mine entry inspections

Used our
information and
expertise to help
people make
informed decisions

We delivered
157,314
mining reports

Protected and
enhanced the
environment

We created the
capacity to treat
220 billion
litres of mine water

We investigated
770
mining hazards
and subsidence claims

We issued
1,709
permits to
intersect coal

We prevented
3,756
tonnes of iron solids
from entering water
courses

We carried out
656
inspections on spoil
heaps (tips) owned
by the Coal Authority
and our partners

We provided
10,236
planning consultation
responses

We reused or recycled
89%
of our ochre and
iron solid waste
